Annual Giving

Gifts to Annual Giving allow the Islamic Center at NYU to provide extraordinary opportunities for learning and discovery; to extend financial resources and scholarship opportunities to every student who needs it; and to help meet emerging needs and challenges. These unrestricted funds give the IC the flexibility to undertake critical new initiatives at this most crucial of phase of development for Islam in America.

Launched in the Summer of 2009, Annual Giving will be a vital source of institutional momentum for the Islamic Center, and the primary way for all alumni, parents, and friends to help sustain the special features that set the IC apart. The success of Annual Giving and the spirit of shared experience and mutual encouragement that brings together IC supporters of all generations are essential to the IC's enduring excellence.
